# The United States of America

To all to whom these presents shall come, Greeting:

WHEREAS, In pursuance of the provisions of the Revised Statutes of the United States, Chapter Six, Title Thirty-two, and Legislation supplemental thereto, there have been deposited in the General Land Office of the United States the Plat and Field Notes of Survey, and the Certificate of the Register of the Land Office at Pueblo, Colorado,

accompanied by other evidence whereby it appears that The St. Louis Smelting and Refining Company

No. 5 entered and paid for the Marvin and Martha lode mining claims

## PUBLIC DOCUMENT

designated as Survey No. 20619, embracing a portion of Sections twenty-four, twenty-five, and twenty-six in Township forty north of Range eleven west of the New Mexico Principal Meridian, in the Pioneer Mining District, Dolores County, Colorado;

and bounded, described, and platted as follows: Beginning for the description of the Marvin lode claim, at corner No. 1, an iron pipe two inches in diameter, three feet long, with brass cap on top marked I - Me20619, in mound of earth and stone, from which the southwest section corner of Section twenty-four in Township forty north of Range eleven west of the New Mexico Principal Meridian, bears north twelve degrees five minutes twenty-seven seconds east three hundred thirty-two, and fourteen hundredths feet distant;

Thence, first course, south forty-four degrees fifty minutes east eighty-three and eighty-two hundredths feet intersect line 9 - 1, an east line, of U. S. Forest Service Tract; two hundred fifty-five and sixty-three hundredths feet intersect line 6 - 7 of Survey No. 410, the Homestake and Little Core Consolidated placer claim; six hundred twenty-

1897; said E.R.G. and H.B. lode claims, Survey No. 7013; said Big Strike and Denver lode claims, Survey No. 7601; said Lillie D., Madam De Verge, and Zig Zag lode claims, unsurveyed, and said U. S. Forest Service Tract, and also all veins, lodes, and ledges; throughout their entire depth, the tops or apexes of which lie inside of such excluded ground; the premises herein granted, containing twenty-four acres and three hundred sixty-two thousandths of an acre.

1115034

Pueblo 058327.

NOW KNOW YE, That there is therefore, pursuant to the laws aforesaid, hereby granted by the United States unto the said  
**The St. Louis Smelting and Refining Company**

the said mining premises hereinbefore described, and not expressly excepted from these presents, and all that portion of the said vein **8**, lode **8** or ledge **8**, and of all other veins, lodes, and ledges throughout their entire depth; the tops or apexes of which, lie inside of the surface boundary lines of said granted premises in said survey, so continued downward vertically, although such veins, lodes, or ledges in their downward course may so far depart from a perpendicular as to extend outside the vertical side lines of said premises: Provided, That the right of possession to such outside parts of said veins, lodes, or ledges shall be confined to such portions thereof as lie between vertical planes drawn downward through the end lines of said survey, so continued in their own direction that such planes will intersect such exterior parts of said veins, lodes, or ledges: And provided further, That nothing herein contained shall authorize the grantee, herein to enter upon the surface of a claim owned or possessed by another.

**TO HAVE AND TO HOLD** said mining premises, together with all the rights, privileges, immunities, and appurtenances of whatsoever nature, thereunto belonging, unto the said grantees above named and to **its successors** and assigns forever; subject, nevertheless, to the above-mentioned and to the following conditions and stipulations:

**FIRST.** That the premises hereby granted shall be held subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local laws, customs, and decisions of the courts. And there is reserved from the lands hereby granted a right of way, thereon for ditches or canals constructed by the authority of the United States.

**SECOND.** That in the absence of necessary legislation by Congress, the Legislature of **Colorado** may provide rules for working the mining claim or premises hereby granted, involving easements, drainage, and other necessary means to its complete development.

IN TESTIMONY WHEREOF, I,

**Franklin D. Roosevelt,**

President of the United States of America, have caused these letters to be made, Patent, and the Seal of the General Land Office to be hereunto affixed.
